

## UW Computational Linguistics Single Course Enrollment Application

To apply for single course enrollment, please specify whether you intend to participate in person or online, print, complete and mail this form with your required materials to the address below.

- Computational Linguistics Fundamentals (LING 473)**
- Introduction to Linguistic Phonetics (LING 550)**
- Introduction to Syntax for Computational Linguistics (LING 566)**
- Knowledge Engineering for Deep Natural Language Processing (LING 567)**
- Shallow Processing Techniques for Natural Language Processing (LING 570)**
- Deep Processing Techniques for Natural Language Processing (LING 571)**
- Advanced Statistical Methods in Natural Language Processing (LING 572)**
- Natural Language Processing Systems and Applications (LING 573)**
- Topics in Computational Linguistics (LING 575)**
  
- I have a professional interest in this field of study and would like to enroll in a single course. My resume, letter of application and transcripts are enclosed for review. I understand that, if approved, my admission will be on a space-available basis. (Including a fee is not necessary; fees are not accepted until you are notified of your eligibility.)

*Note: It is the applicant's responsibility to make sure that all required materials are submitted with the application. All applicants will be evaluated on the basis of materials submitted.*

Mr.  Ms.
